6th Grade Jazz Band Continues to Grow...

The 6th Grade Jazz Band had their last performance of the year at the Junior Jazz Showcase on April 15th. This year's 6th grade jazz band continued to grow in popularity from years past, featuring 28 students. The band began rehearsing in November and performed its first concert in January. All instruments were eligible to play in the jazz band, including non-traditional jazz instruments. In fact, this year the band featured jazz flute, oboe, clarinet and euphonium. The jazz band also had one orchestra student who played in the rhythm section on guitar. The main purpose of the 6th grade jazz band is to introduce students to the style of jazz music and give early musicians an opportunity to improvise for an audience.

The Junior Jazz Showcase featured three selections from the 6th Grade Band. The first tune, "Sherlock's Gone Home", was written by Dean Sorenson and featured the saxophone, flute, and oboe section. The second tune, "B-flat Blues Jam" allowed each student in the jazz band to solo for the audience on a B-flat blues scale. The concert concluded with the band's performance of "Dorian Journey", also written by Dean Sorenson. This tune allowed several students to improvise on the D Dorian scale. Miss Melvin and Miss Wood used this piece as a teaching tool to explain when to use dorian scales in improvising.

Miss Melvin and Miss Wood are incredibly proud of the 6th grade jazz band and would like to encourage all of this year's 6th graders to continue to pursue jazz at Yorkville Middle School next year.

On Friday, March 12th the Orchestra held its first ever Middle School Orchestra Orientation Party. With over 50 6th grade orchestra students in attendance along with some YMS and YHS student volunteers the party was a huge success.

Students had the opportunity to get to know one another by playing fun team building games, socializing while eating yummy pizza donated by the Yorkville Music Boosters, and even went on student lead tours of the middle school.

Four Yorkville Music Students Make All-State

On January 27th – 30th, four YHS music students attended the IMEA All-State Music Conference in Peoria, IL. Daniel Gallagher played flute in the Band. Cree Sullivan (baritone), Meredith Olson (soprano), and Devin Johnston (tenor) sang in the Choir. The students went through a rigorous audition process that started back in October, 2009 and represent the top 1% of high school musicians in the state of Illinois. We are extremely proud of these four Yorkville musicians who are some of the best musicians in the state of Illinois.

Yorkville Bands Hosts Millikin University Wind Ensemble

The Yorkville High School Symphonic Band recently enjoyed the opportunity of hosting a joint concert with Millikin University Symphonic Wind Ensemble. The combined concert had been in the works since mid-December. On the afternoon of Friday, April 9th, 2010 the Millikin students, led by Dr. Gary Shaw arrived at Yorkville Middle School. After a brief warm-up, the Millikin students performed a brief chamber music recital for Yorkville High School Band Students. Following the recital, the two bands ate dinner together which was provided by the Yorkville Music Boosters. At 7:00 PM the groups performed an outstanding concert. In attendance at the concert were parents, community members, many music educators from the area, Millikin alumni, and other Yorkville band students.

After the concert, many YHS music parents opened their homes to our visiting college students and housed them overnight. A special thanks to all the families who helped out by hosting our guests. Our band exchange event ended on Saturday morning with donuts and juice before MU boarded their bus toward their next performance at Hersey High School in Arlington Heights.

We are very proud of how our Yorkville students represented our community to the University students and to the audience members. In addition, the families who helped host and welcomed our guests left a lasting impression of Yorkville on Dr. Shaw and his students. Dr. Shaw was extremely satisfied and grateful with the event. He commented, "This is the best school visit he has ever experienced because of our wonderful facilities, the organization, and the wonderful Yorkville parents and families who were so welcoming."

Music in the Parks Performance for YMS & YHS Orchestras

Yorkville Orchestra Directors Kim Gyssler and Gerry Romack organized a trip on May 21 & 22, 2010, to the Music in the Parks competition. Sixty-six members of the YMS and YHS orchestras will travel to St. Charles, Missouri, to perform at the Music in the Parks Festival competition. The competition features junior high and high school bands and orchestras performing for a panel of judges at the St. Charles, Missouri, High School near the St. Louis Six Flags Theme Park. The competition concludes with an afternoon awards ceremony held in the amphitheater of the Six Flags Theme Park honoring all of the bands and orchestras that performed in the two day festival competition.

YORKVILLE BANDS PERFORM AT PLAINFIELD

On March 17th 2010, both Yorkville high School bands had an excellent performance at the Plainfield Invitational Concert Band Festival. There was a lot of work that went into the event for their performances and after the performance, they went into a clinic with world renowned educators. The symphonic band clinician was Dr. Joe Manfredi from the University of Illinois and the concert band had Ms. Judy Grimes from Elmhurst College. Congratulations to both groups on a wonderful day!

The 2010 show is sponsored by the Music Boosters and will be included in Yorkville Middle School's "International Night" festival that will be held at YMS from 5:00-7:00 pm on Friday, June 4th. International Night is a part of the 2010 Academic Olympics during which the 7th and 8th grade students transform the school into a virtual globe, featuring art, food, music, and cultural artifacts from 61 countries around the world. The jazz showcase will be held in the cafeteria at 6:00 pm.

YHS Concert Band during their performance at Plainfield Central.

On April 16 our 6th grade orchestras went on a field trip to hear the Elgin Symphony Orchestra perform an educational concert for students. On the program were famous movie scores from such films as Robin Hood, Star Wars, Jaws, Harry Potter and others as well as compositions by Richard Wagner and Igor Stravinsky. This concert was a very special treat for our students who, just a month earlier, wrote letters to the orchestra musicians and were introduced to the musicians in person before the performance. An opportunity that was only available to our students! The students really enjoyed meeting the performers and hearing all of the wonderful movie music that has captured all of our imaginations and reminded us just how powerful and magical music can be.

Students had the opportunity to get to know one another by playing fun team building games, socializing while eating yummy pizza donated by the Yorkville Music Boosters, and even went on student lead tours of the middle school.

YMS Bands to VanderCook

On April 22nd, 2010 the Yorkville Middle School 7th and 8th grade bands took a day long trip to VanderCook College of music in Chicago to participate in their annual Band Festival. Both bands performed for a panel of college band directors who gave us constructive feedback on our woodwinds, brass, percussionists, conducting, and overall musical effect. After their performances, each group also partook in a 30 minute clinic session. The bands wrapped up the day at Enchanted Castle in Lombard with an evening of

Yorkville Hosts Western Sun Band Festival in 2010...and 2011!

Every year schools in the Western Sun Conference select their best musicians to participate in the Western Sun Conference honor band festival. Participating students are given an opportunity to play advanced music with excellent musicians and to play under the baton of a renowned conductor. This is an experience that both teachers and students value greatly. The privilege of hosting the day long festival rotates from school to school and this year it was Yorkville's turn to host.

The Western Sun Conference hired two guest conductors to work with each of the honor bands. Mr. Glenn Schneider, the director of bands at Metea Valley High School, was hired to conduct the Freshman/Sophomore Band and Dr. Smith, the associate director of bands at Iowa State University, was hired to conduct the Junior/Senior Band. The students who participated in the festival spent the day preparing the music, learning new musical concepts, and meeting musicians from all around the "Western Sun" area. The evening's concert was held at Yorkville Middle School Auditorium and was very well attend. The Junior/Senior Band's performance of David Maslanka's "Give Us This Day" was memorable to say the least.

The day's events were enjoyed by student, parents, and teachers alike. Dr. Smith was particularly excited about his experience in Yorkville, stating that it was one of the best prepared and organized festivals he has ever attended. Dr. Smith was also impressed with how well all of the Western Sun students had prepared for the day's rehearsal and by the facilities at Yorkville Middle School. The success of this event was due in large part to a number of parent and student volunteers who helped out in many different ways. A special thanks to Leslie Erb and Caitlyn Snodgrass for being host student assistants. While the Western Sun Conference is no longer, our new conference, the Northern Illinois Big 12 will include a very similar band festival which we will be relying on our dedicated parents to help out with in hosting next year.

YHS Chamber Stringers **Perform**

On Saturday May 1, 2010, orchestra members of the Yorkville High School Chamber Stringers performed for the Yorkville Heritage Woods Retirement Center afternoon Tea. Yorkville Community Band

The Yorkville Community Band will be continuing the tradition of helping the City of Yorkville celebrate Independence Day with their 18th Anniversary performance! This talented group of local musicians is excited to extend an invitation to anyone and everyone who would like to join in on the 4th of July festivities.

A unique and fun feature of the group is the vast age differences of the band members. Students, ranging from middle school to college, are able to participate alongside some older members who are...lets just say “seasoned veterans” of music! Not only are musicians invited to participate, but those wanting to get involved with either the color guard or “candy brigade” are also encouraged to contact us. It’s safe to say, if you’d like to join us, we’ll find something for you to do!

The primary performance of the Yorkville Community Band is during the annual **4th of July** festivities celebrated in Yorkville. The band participates in the parade, which is then immediately followed by a concert in Towne Square.

If you, or anyone you know, wish to join the Yorkville Community Band, please do not hesitate to contact either Susan Munson (630) 553-9750 or Linda Panlilio (630) 913-7869. We will be more than happy to provide further explanations and details to anyone interested. Hope to hear from you soon!
